

# INDEX TO VOLUME LXII

JANUARY TO DECEMBER, 1934

## ASSOCIATED PHYSICIANS OF LONG ISLAND

93, 126, 159, 194, 289, 312, 350

## AUTHORS AND SUBJECTS:

- Anderson, William Gilbert, How to Reduce by Eating ..... 38
- Ant, Morris., Obesity and the Doctor 212
- Bacon, Harry E., A Retaining Proctoscope ..... 79
- Bainbridge, William Seaman, The Rôle of Trauma in the Production of Cancer ..... 131
- Bassler, Anthony, Angina Pectoris and the Pancreas (Experience with Pancreatic Feeding) ..... 7
- Bauer, John L., Some of Our Medical Problems ..... 68
- Behrend, Moses, Spinal Anesthesia in Upper Abdominal Operations.. 102
- Bland, P. Brooke, Remarks on Menorrhagia and Metrorrhagia . 99
- Boettiger, Carl, The Acute Abdomen: The Internist's Viewpoint . 267
- Surgical Aids in the Treatment of Blood Dyscrasias ..... 180
- Bortin, Aaron, The Facilitation of Syringe Medication ..... 79
- Bram, Israel, Relation of the Thyroid to the Female Gonads ..... 10
- Brenner, Edward C., Surgery in Diabetes ..... 247
- Brodhead, George L., Regulation of the Specialties in Medicine.. 65
- Browning, William, The Influences That Have Molded a Great Medical Library ..... 48
- Buchanan, Arthur, Experiments in the Treatment of the Intestinal Phase of Vitamin B Deficiency in Man ..... 379
- Bulmer, James Wesley, The Recognition of the Acute Surgical Abdomen ..... 273
- Coon, Eugene H., Report of a Case of Mastoiditis Presenting some Interesting Complications ..... 181
- Salivary Calculi, with Report of Case of Stone in Stenson's Duct in a Boy Aged Eleven Years .... 215
- Cornwall, Edward E., Milk for Men 14
- Notes on the Dietetic Treatment of Spastic Colon ..... 313
- Remarks on Coronary Vascular Disease and Angina Pectoris .... 74
- The Tobacco Heart ..... 209
- Cox, Gerard H., The Treatment of Fractures of the Nose ..... 171
- Danzer, Charles S., A Clinical Interpretation of Cardiac Asthma . 138
- Davies, Willard J., Spontaneous Pneumothorax in Children Under Three Years Review of the Literature and Report of a Case .... 237
- Di Benedetto, Clara F., Calcium as a Preventive of Certain Diseases in Children ..... 235
- Dickinson, Robert L., Charles Jewett—Teacher of Teachers ..... 146
- Drucek, Charles J., Focal Infection 388
- Newer Concepts of Colonic Disease ..... 76
- Durgin, Delmer Dennis, Personality and Emotional Factors in Reactive Negativism ..... 374
- Exner, Max J., The Darkfield Diagnosis of Early Syphilis ..... 233
- Fausel, Everett G., Experimental Postoperative Intraabdominal Adhesions with Special Reference to the use of Papain Solution .... 1
- Gordon, Charles A., Acute Conditions in the Female Pelvis .... 278
- Gottlieb, Mark J., Constitutional Deafness ..... 305
- Gray, Irving, Medical Conditions Simulating the Acute Surgical Abdomen ..... 269
- Greeley, Horace, Case Report .... 115
- Grossman, Jacob, Fracture Through the Lower Radial Epiphyseal Line 202
- Hays, Harold, The Psychiatric Aspects of Otolaryngological Practice ..... 240
- Hill, Miner C., The Pediatric Aspect of the Acute Abdomen ..... 281
- Houghton, Harris A., The Metabolic Preparation and After-Care of Surgical Patients ..... 301
- Howard, Tasker, Coronary Occlusion: Based on the Study of 165 Cases ..... 337
- Huhner, Max, Effects of Some Faulty Contraceptive Methods on the Male ..... 335
- Jennings, John Edward, The Acute Abdomen, The Surgeon's Standpoint ..... 276
- Kahn, Keith, Complete Double Harelip Complicated by Protrusion of the Premaxillae ..... 176
- The Humped Nose: Its Cosmetic and Plastic Correction ..... 42
- Kraetzer, Arthur K., Intestinal Toxemia ..... 40
- Kramer, Henry F., Medical Aspects of Amebiasis ..... 141
- Levbarg, John J., The Vocal Mechanism ..... 207
- Maliniak, Jacques W., Some Legal and Illegal Aspects of Plastic Surgery ..... 165
- Marantz, Bernard C., Mastoiditis in Infants with Gastro-Intestinal Symptoms Predominating ..... 382
- The Surgical Tonsil and Its Role as a Focus of Infection ..... 110
- Marino, A. W. Martin, Surgical Considerations in Amebiasis .... 143
- Mazzola, Frank R., Heart Disease and Anesthesia ..... 179
- McChesney, James W., The Urologist's View of the Acute Abdomen 279
- McGoldrick, Thomas A., The Economics of Medication ..... 21
- Moench, Gerald L., Sperm Morphology and Biometrics as a Means of Identification of the Individual 33
- Morton, Henry H., Movable Kidney 135
- Mullen, Edward A., An Inexpensive Efficient Apparatus for Suprapubic Drainage ..... 351
- Nascher, Ignatz Leo, Senile Dementia and the Senile Slump—Some Differential Points ..... 314
- Oliver, Wade W., Certain Laboratory Aspects of Amebic Dysentery Infection ..... 145
- Parrish, Paul L., Acute Osteomyelitis in Childhood ..... 5
- Perkins, Orman C., Interpretation of Visceral Sensations in the Abdomen ..... 283
- Pizzi, Francis W., Calcium in the Treatment of Acute Gonorrheal Adnexitis ..... 348
- Preusser, Walter F., An Instrument to Facilitate Cancer Prophylaxis in the Rectum and Sigmoid .... 80
- Russman, Charles, Malaria Treatment of General Paralysis ..... 369
- Schimmenti, John M., The Position of Psychiatry in Medical Practice Today ..... 105
- Schwartz, Jacob, The Etiology of Diabetes Mellitus Among Jews . 107
- Sharlit, Herman, Acne Vulgaris, The Patient and the Physician .. 213
- Sigler, Louis H., The Non-Surgical "Acute Abdomen" ..... 342
- Silverstein, I. Spencer, Radiography in Ulcer Syndrome ..... 36
- Smith, Henry B., Report of a Case of Mastoiditis Presenting some Interesting Complications ..... 181
- Salivary Calculi, with Report of Case of Stone in Stenson's Duct in a Boy Aged Eleven Years ... 215
